referent Dr. Sterz (fnu),

Sterz himself is at present engaged in research on the use of photographic procedures in medicine. He is carrying out this research at the Central Institute for Social and Professional Hygiene (Zentralinstitut fuer Sozial- und Gewerbekygiene) in Berlin-Lichtenberg, one of the institutes under the control of the Ministry.

4. All institutes under the control of the Main Department for Science and Research have to make periodic reports to this administration. The reports are evaluated and consolidated by Zetkin's department and then passed to State Secretary Jenny Matern. Consolidated as well as individual reports of importance are forwarded to the Russian authorities in Karlshorst. Translations from the German into the Russian language are made by interpreter Paul Ezert.
